ThinkHub® visualization software

visual collaboration for hybrid teams

ThinkHub consolidates the moving pieces of teamwork - collaborators and content can come together with ThinkHub Canvases - your digital workspace for brainstorming and ideation, collaborative working sessions, product and campaign design, presentation creation and delivery, big data visualization, and so much more...

ThinkHub Canvases can run on video walls, single panel displays, or even your laptop.

Getting started with ThinkHub

STEP 1:
Create Canvas
start with a blank Canvas or jumpstart with a ThinkHub Template

STEP 2:
Invite Collaborators
invite your team to join you in your ThinkHub Canvas

STEP 3:
Collaborate!
add content, devices, and visualize your team's work in an editable Canvas.
Save and Resume anytime.

+ T1V Story
all ThinkHub walls can double as T1V Story spaces

T1V

ThinkHub® visualization software

add-ons + enhancements for your visual collaboration system

ThinkHub Dock

non-touch displays where you can 'dock' content for easy reference. Ideal to host your VC window while you collaborate in the Canvas, or host reference material as you progress through a presentation.

ThinkHub MultiSite

real-time, room-to-room collaboration for up to 10 locations at a time. These globally shared Canvases can be saved and resumed at anytime.

ThinkHub xCanvas

extend the ThinkHub experience beyond a single display to multiple displays throughout a room. Can support up to 12 1080p displays or up to three 4K displays, touch or non-touch.

ThinkHub Education

add ThinkHub Student Stations to your learning environment (powered by T1V Hub). ThinkHub Education supports active, group-based learning exchange amongst students and between student and instructor.

ThinkHub Cloud
included with all ThinkHub solutions

create Canvases, invite collaborators, and add content from the convenience of your laptop. Prep Canvases in advance and Send To Room when ready to launch your meeting or class with the ThinkHub display. Free companion app for all ThinkHub users.

Your T1V Team

You've made an investment in T1V. We're committed to helping your realize a return on that investment. In our eyes, this is a longstanding partnership that merits a dedicated team.

Territory Team

Each sales team is designed to serve your respective territory. They know your market and what's happening in your pocket of the globe. Each sales team has a territory lead, solutions architect, and app engineer to ensure we understand all technical aspects of your project. They will work closely with you and your integration partner to specify the appropriate T1V technology for your space.

Project Management

Once your project kicks off, you'll have a dedicated T1V Project Manager to serve as the primary point of contact between you, your Pro A/V integration partner, and T1V.

Customer Success

When deployment is complete and your technology has been commissioned, you'll work with your T1V Customer Success Manager to map out your training and adoption schedule, set goals, and schedule QBRs to review your progress. This will be your primary contact throughout the lifetime of your T1V solution.

Support

The T1V Support team is available for immediate troubleshooting should you experience any issues with your T1V solution. Available by phone, email, or appointment - seven days a week.

Additional Resources

In addition to your dedicated T1V team, we provide the following resources to all customers:

Knowledge Base

Access our library of help articles and videos to strengthen your product knowledge.

Product Certifications

Put your knowledge to the test and earn certifications across our product lines.

Customer Advisory Board

Network with fellow T1V customers and thought leaders, preview products, and share feedback. Ask a member of your T1V team how you can join.

Our Values

T **T**eam with **1 V**ision
the team comes before the individual, win as a team, work together, bring a positive attitude, be proud of the how, build collective success

H **Hear the Customer**
be customer obsessed - build for the customer, seek customer insight, do what's right for the customer, deliver for the customer, if the customer wins, we win

N **Never Give Up**
find a way - challenges are opportunities, do what you say you're going to do, take total ownership, give it your all

K **Keep Improving**
elevate the standard, find different views and voices, innovate to solve, dream big, make an impact
