

## CORE USE CASE

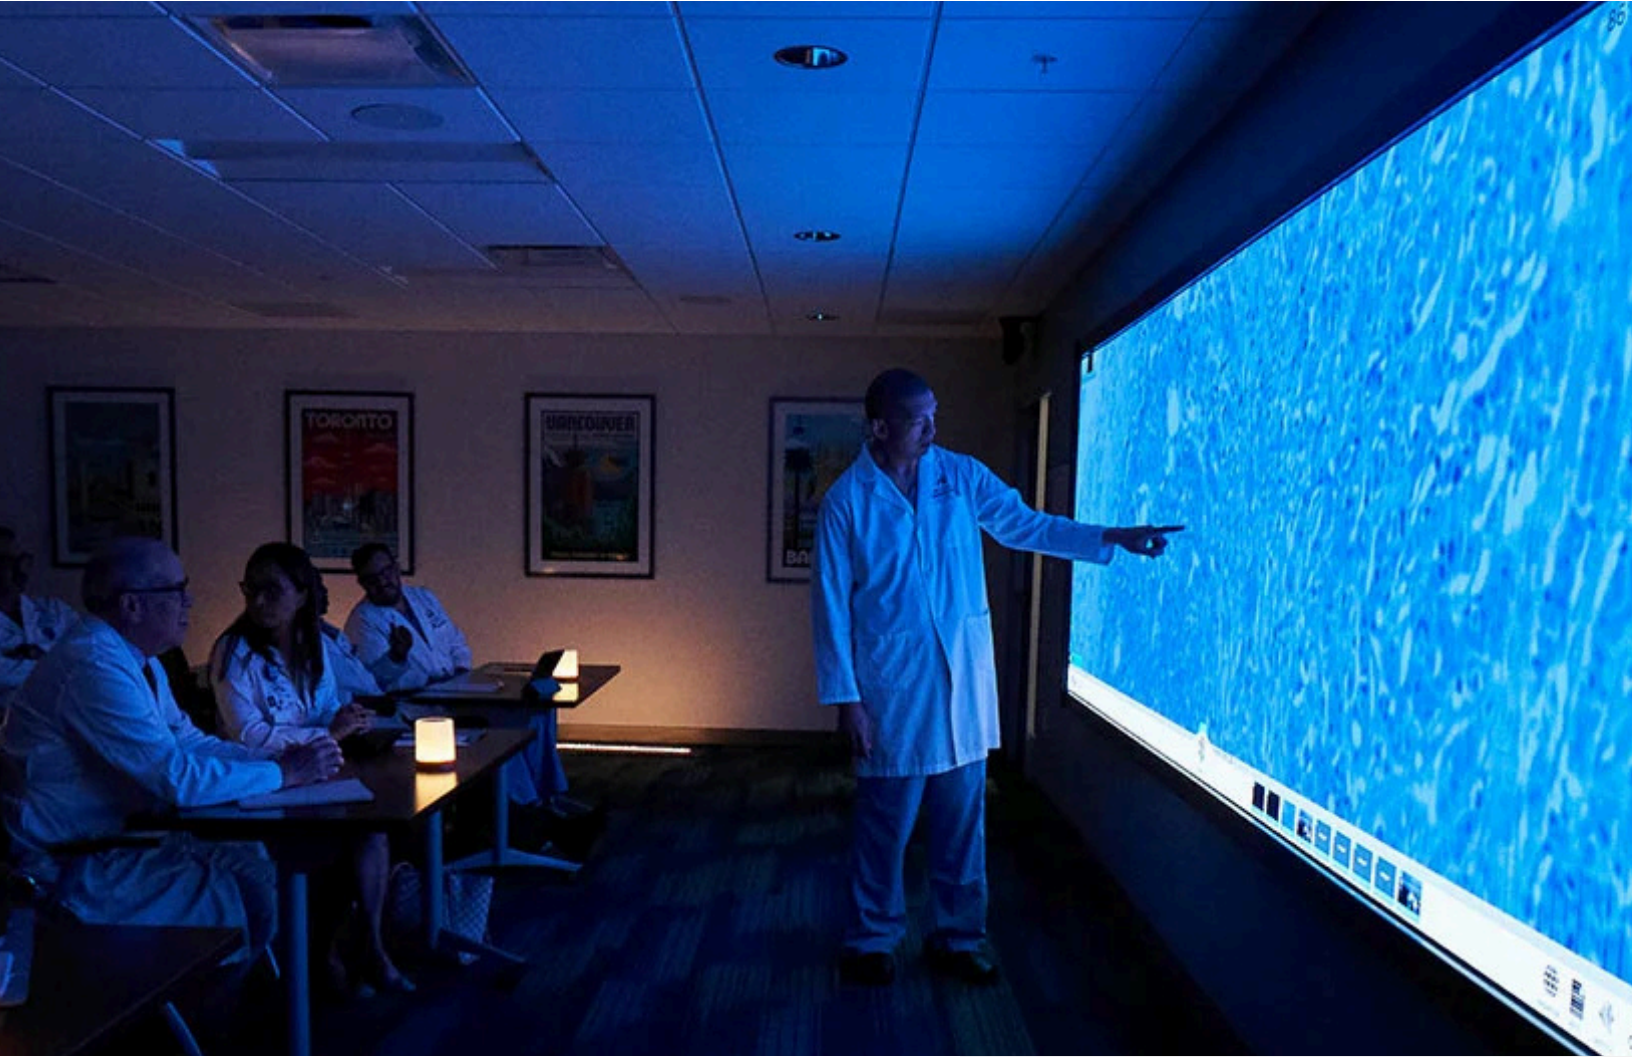

ThinkHub revolutionizes multispecialty cancer research and patient treatment during weekly tumor board reviews at the Moffitt Cancer Center.

## LOCATION

Tampa, Florida

## INDUSTRY

Healthcare

## DESCRIPTION

The Moffitt Cancer Center hosts tumor board reviews exploring the collaborative frontier of cancer care. Through interdisciplinary teamwork, medical experts from diverse specialties converge to dissect complex cases, offering tailored treatment plans for patients. With a focus on personalized care and evidence-based decision-making, Moffitt's Tumor Board sets a gold standard in oncology, ensuring patients receive the most effective and comprehensive treatment strategies available.

- + ThinkHub visual collaboration drives tumor board reviews on a 8x4 LED multipanel wall + 22" 4K display to be mirrored on a non-interactive 98" 4K display
- + ThinkHub interactive Canvas advanced content sharing, from real-time device feeds to web-based software programs for up-to-date treatment plans, medical imaging content, vital feeds, and more

## BACKGROUND

Moffitt Cancer Center is Florida's only National Cancer Institute-designated Comprehensive Cancer Center, and one of only 30 leading cancer centers in the U.S. participating in the National Comprehensive Cancer Network. Moffitt is at the very forefront of cancer centers worldwide.

Equipped with top research and care experts working side-by-side, Moffitt is uniquely positioned to revolutionize cancer treatment, elevate care and save more lives.

**Mission:** To contribute to the prevention and cure of cancer.
