

CORE USE CASE

T1V Story delivers an interactive, enriching educational experience for congregants and visitors at the Temple Emanu-El.

LOCATION

Dallas, Texas

INDUSTRY

House of Worship

DESCRIPTION

Temple Emanu-El, a Reform Jewish congregation, strives to be a place of sacred encounter. The Temple focuses on building a vibrant and meaningful community with the goal of deepening Jewish identity through Jewish learning and prayer.

T1V Story offers a modern, interactive way for congregants and visitors to engage with the Temple's history, achievements, people, and more...thereby strengthening community bonds and creating a memorable experience.

- + T1V Story brand storytelling software powers a 6x4 interactive LED video wall
- + Flexibility to update Story content with the Story Editor tool
- + **Interactive Image**
Our Influence | showcases the Temple's members impact on the city of Dallas through the years
- + **Interactive Timeline**
Our Story | provides a complete timeline and history of the Temple
- + **Interactive Showcase**
Our Sacred Values | educates visitors on the mission and values of the Temple and it's impact on the community
Our People | exhibits the photographic series from the The ONE Project focusing on members of the Temple
Our Supporters | highlights donors who have contributed to the Temple's endowment campaign and annual fund

BACKGROUND

Temple Emanu-El's history is nearly as old as Dallas itself, founded in 1872 as the first Jewish congregation in North Texas. The synagogue's spaces have been reimagined and redesigned to put interaction at the forefront: with nature, with one another and with God. They welcome more than 2,500 families with diverse backgrounds and lifestyles through their doors and help them find their Jewish path through prayer, music, learning and community.
