

CORE USE CASE

ThinkHub transforms a traditional meeting room into a multi-functional, flexible collaboration space for community events and workplace meetings

DATE OF ACTIVATION

February 2020

PROJECT LOCATION

Fargo, ND

DESCRIPTION

Gate City Bank, a mutual bank, located in 22 communities across North Dakota and central Minnesota is committed to making lives better by investing in team members and the communities they serve. In an effort to fully leverage its large meeting room, Gate City Bank's headquarters in Fargo, North Dakota sought a flexible collaboration solution to hold both community events and workplace meetings.

- (2) 4x2 ThinkHub interactive touchscreen walls
- ThinkHub walls can be used together or divided into two separate meetings / events with room divider
- Large digital Canvas to visualize and manage massive amounts of content when collaborating on projects with local businesses and/or analyzing financials
- Create and share notes, sketches, and browse web URLs, while also sharing video, image, and PDF files for review
- In-office and remote participants can wirelessly cast BYOD device screens to the Canvas with the T1V mobile app
