How do I share my screen to ThinkHub?

Want to share your screen to ThinkHub? Download the T1V app to get started and follow these instructions.

To share your screen to a ThinkHub Room device, you'll need to use the T1V app, which is available for download <u>here</u> or on your mobile store (App Store or Google Play).

- 1. Select the version for your device and follow the instructions for installation.
- 2. Once T1V is installed, open the T1V app.
- 3. Select 'Room'.
