ThinkHub transforms the way hybrid organizations work. By partnering with T1V, it opens up new opportunities for ESCO to engage with our esteemed customers and to strengthen our position as a preferred AVSI.

**Sky Cher**  
Assistant Vice President,  
Sales, ESCO

T1V's expertise in collaboration software syncs up with today's hybrid work demands. ThinkHub is perfectly designed to help people connect, engage and keep the flow of business happening seamlessly.

**Don Mastro**  
Executive VP, Global  
Sales, AVI Systems

The lift that comes from working collaboratively in a team setting certainly makes our lives more fulfilling and enhances the quality of our work. T1V strengthens team trust and changes our communication dynamically.

**Naoko Sugano**  
President, MediaPlus

## About T1V

T1V's visual collaboration software supports total interoperability with the many devices, programs, and platforms of today's hybrid meeting and learning spaces — enabling our customers to truly collaborate anytime, anywhere.
