

T1V Company Fact Sheet

About Us

T1V is a visual collaboration software company. Our ThinkHub® platform provides a digital workspace for distributed teams to come together for real-time, flexible collaboration across in-room, hybrid, and virtual meeting environments.

In addition to its award-winning ThinkHub collaboration software, T1V offers ThinkHub Education for active learning in higher education, and T1V Story for one-of-a-kind brand experiences.

T1V is a leading innovator in large-scale, interactive software technology, with 19 issued patents in visual collaboration software. Our software ecosystem supports total interoperability with the many devices, programs, and platforms of today's hybrid meeting and learning spaces — enabling our customers to truly collaborate anytime, anywhere.
