# T1V

ThinkHub®

Enjoy the Flexibility of ThinkHub Video Conferencing

ThinkHub Integrated VC UI

With ThinkHub, you can choose the video conferencing integration that's right for your space.

ThinkHub VC Options	Integrated VC	External VC
Configuration	Video conferencing app accessible from the ThinkHub UI (choose from Zoom, MS Teams, Webex, Google Meet). Requires a basic account for each VC platform (not a Room account).	Video conferencing device (display or console) that powers MS Teams Room, Zoom Room, Codec, etc...
Room Peripherals	Managed within ThinkHub	Managed by VC Room Device
Calendar Integration	Displayed on ThinkHub home screen	Displayed on VC Room Device
ThinkHub Content Share	Share ThinkHub Canvas to the VC	Dock or Mirror Output from ThinkHub
Support	T1V Support	T1V Support manages ThinkHub; AV Integrator manages VC device
