# T1V | ThinkHub®

# ThinkHub Sports

From collegiate to professional sports organizations, ThinkHub offers a single platform to manage all the moving pieces of your athletic program.

## Draft Rooms

Completely digitize the draft experience - whether it's draft prep or draft day

### › Draft Prep

- › Manage player data during scouting process

- › Integrates with Just Play Sports Solutions, XOS, ARMS, Hudl, and proprietary software

- › Use ThinkHub Groups tool to visualize massive amounts of athlete data + footage

- › Unlimited annotation

- › Connect to the same secure ThinkHub Canvas from anywhere in the world with the T1V app

### › Draft Day

- › Drive secure, real-time draft boards

- › Track player updates and commitments

- › Monitor live coverage

- › Unlimited annotation

- › Review trade scenarios with other teams or sports agents face-to-face, no matter their location

# Sports Medicine

**Provide personalized doctor-patient collaboration to maximize athlete recovery and performance.**
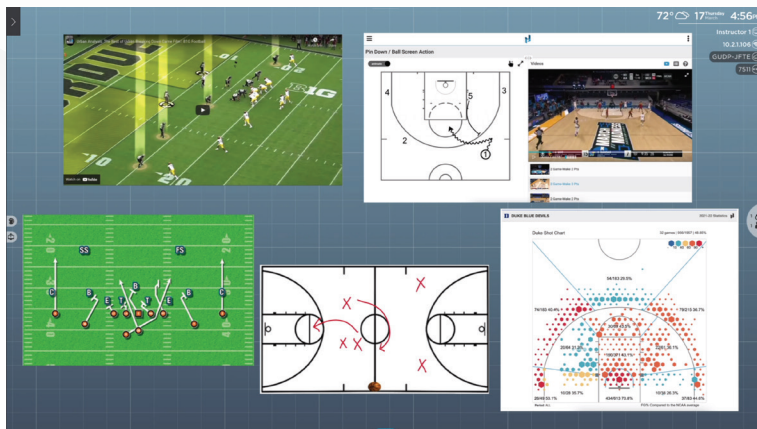

> Aid doctors in treating sports injuries

> Manage performance tools in one, seamless platform

  - EMG evaluation
  - Motion capture testing
  - MRIs
  - X-rays
  - Medical imaging

> Canvas annotation to pinpoint opportunities for treatment

> Co-create treatment plans and training schedules

> Track treatment progress and performance milestones

> Include athletes and coaches in consults via video conferencing integration

# Game Planning + Analysis

**Create and present plays in real-time**

> Hybrid collaboration to connect on-site and remote stakeholders

> Cross-team collaboration across coaching staff and players

> Live training with teams

> Group different types of content for game time, halftime, or post game analysis

  - Playbook
  - Footage

> Annotate on the ThinkHub Canvas

> Competitor analysis and player training

> Brainstorm new plays with coaching staff

# Team Management

**Manage recruitment, student grades and performance; training and game schedules, team travel logistics, and more...**

### Athlete Management

> Share information between offensive and defensive training regimens

> Communicate practice schedules

> Track training progress

> Manage academic and athletic plans

### Team Logistics

> Track game schedules and travel logistics

> Equipment management - track and schedule

> Password protect the ThinkHub Canvas for extra security

### Administrative Tool / NIL

> Draft, negotiate, and manage sponsorships / endorsements for the organization

> NIL Regulation - manage athlete content and endorsements
